

Sirocco

Smooth, safe and reliable showering

6100 2500 / 6100 2505

Sirocco Basic shower stretcher

The Sirocco Basic 6100 2500 combines a straightforward, height-adjustable design with user-friendly operation, making it an excellent choice for everyday care environments. With its electrically operated lifting system and intuitive hand control, caregivers can adjust the stretcher to the optimal working height, reducing physical strain and ensuring a more comfortable bathing experience for clients.

For facilities seeking a simplified solution, the Sirocco Basic 6100 2505 offers a fixed-height version that delivers the same robust quality and client comfort. This model is particularly suitable where adjustability is less critical but reliability and ease of use remain essential. Both Sirocco Basic versions are equipped with the same high-quality materials and soft, supportive mattress, ensuring safety and comfort in daily care routines.

Foldable & Functional. Designed to save valuable floor space, the Sirocco folds away easily while maintaining full stability and performance.

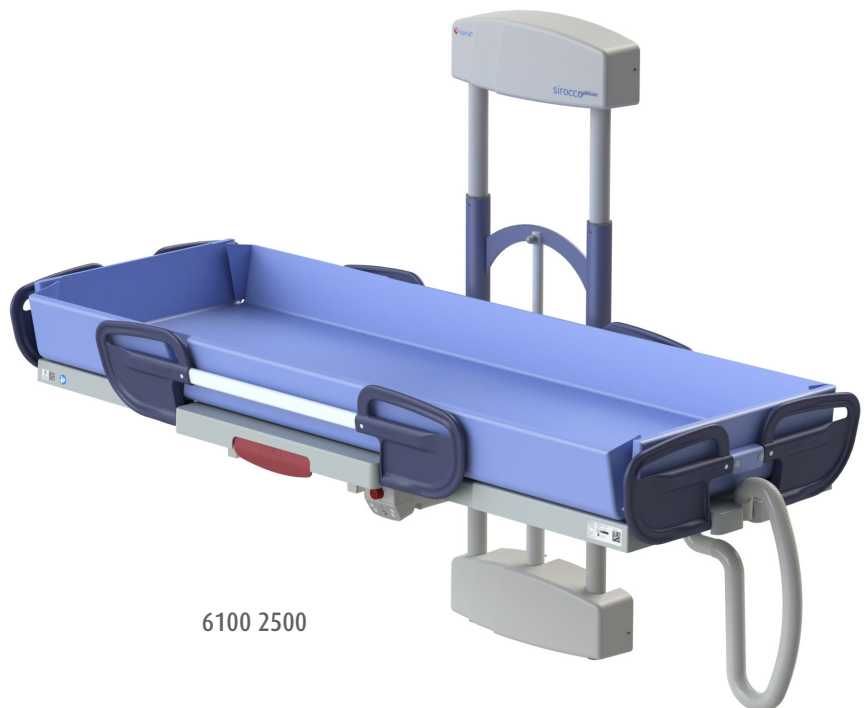

Ergonomic Use. Height-adjustable design and smooth positioning reduce physical strain, ensuring comfortable and efficient care at any level.

Reliable & Long-Lasting. Built to last with a 60-month warranty for long-term reliability and peace of mind.

Antibacterial Coating & Corrosion-Resistant. The antibacterial coating with silver-ion supports hygiene and infection control, while the corrosion-resistant frame with smooth surfaces ensures durability and easy cleaning.

Sirocco Deluxe shower stretcher

The Sirocco Deluxe builds on the advantages of the Sirocco Basic models with added functionality for greater flexibility. Its stepless electric backrest adjustment allows clients to be positioned more comfortably, supporting both relaxation and care efficiency. This feature is particularly valuable in extended washing sessions, where varied positioning enhances comfort and reduces caregiver workload.

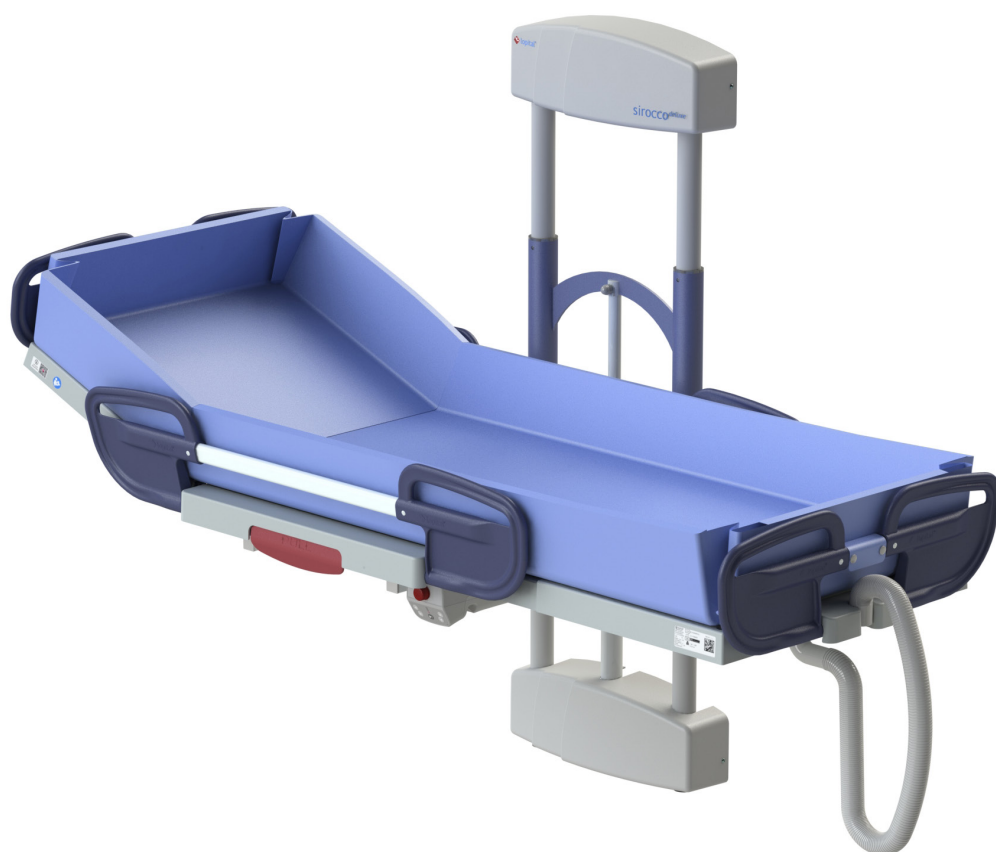

With its precise handling and smooth operation, the Sirocco Deluxe is designed for care environments where adaptability and client comfort are top priorities. It combines reliability with thoughtful features that help caregivers provide safe, dignified, and efficient hygiene care on a daily basis.
