Tango shower toilet chair

The Tango is designed for everyday care moments where comfort, safety and efficiency are key. Its stable frame combined with a compact, manoeuvrable design offers practical confidence during showers, toilet visits and transfers – with a focus on both safety and comfort.

The ergonomic design with smart handles makes the chair light and manoeuvrable to use, significantly reducing physical strain for the caregiver. For the client, the folding and swing-away footrests ensure comfortable and safe entry and exit.

The four braked castors ensure easy and stable movement on various floor types. Thanks to the use of high-quality, easy-care materials, the chair is also easy to clean - hygiene and durability guaranteed.

Lopital Tango – moving with care, wherever care moves.

Compact & Manoeuvrable Design. With its lightweight and compact frame, Tango is easy to handle in smaller spaces - ideal for home care and tighter bathrooms.

Ergonomic Use. Equipped with smart handles and four braked castors to simplify manoeuvrability, ensuring high stability on various surfaces and minimizing the strain on the caregiver's joints.

Reliable & Long-Lasting. Built for daily care and backed by a 60-month warranty, offering a dependable performance.

Antibacterial & Corrosion-Resistant. The antibacterial coating with silver-ion supports hygiene and infection control, while the corrosion-resistant frame with smooth surfaces ensures durability and easy cleaning.
